Conference Program

Plenary Sessions

Plenary Sessions feature global thought leaders who provide big picture perspectives, innovative insights, and broad outlooks on current issues of interest to the entire audience.

Concurrent Sessions

Concurrent Sessions provide analysis and commentary on topics such as alternative investing, capital markets, tech developments, career skills, psychology and decision making, and sustainable investing.

Extended Sessions

Extended Sessions allow for a deeper exploration of investing topics.

Interactive Workshops

Interactive Workshops are small group sessions designed to develop practical skills. Space is limited and pre-registration is required.

The Forum Sessions

The Forum Sessions showcase CFA Institute programs, products, and member services as well as opportunities to build better connections to today's trends, today's technologies, and today's leaders.

Sponsored Corporate Presentations

Sponsored Corporate Presentations offer a range of best practices, strategies, tools, tactics, and insights for successful investment management and financial analysis from senior-thought leaders at leading financial services firms.

Networking Opportunities

Networking opportunities grow your professional network by connecting with like-minded peers over refreshment breaks, lunches, and social receptions.

The Research Foundation Workshop

The Research Foundation Workshop for the Practitioner draws from the work supported by the CFA Institute Research Foundation to help participants enhance their practical investment knowledge, understand and apply new research, and contribute to effective client service.
